

### Save money with our PMAA Credit Card Program

Our program is designed to save State Petroleum Association Members money by offering the lowest cost to process credit cards. Call us today at 877.862.9195 to find out how we can help increase your bottom line by cutting cost.

### Why Worldpay

As a leading payments technology company with unique capability to power global integrated omni-commerce, our industry-leading scale and unmatched integrated technology platform offers clients a comprehensive suite of products and services globally, delivered through a single provider.

We process over 40 billion transactions annually through more than 300 payment types across 146 countries and 126 currencies. Our company's growth strategy includes expanding into high-growth markets, verticals and customer segments, including global eCommerce, Integrated Payments and B2B.

### Card acceptance

Worldpay processes all US card types including fleet cards and settles directly with merchants for American Express, Wright Express and Voyager. Meaning the member doesn't have to wait for fleet card providers to deposit their funds.

### EMV

In-store EMV certifications and acceptance are behind us. Worldpay is on target to deliver outside EMV POS software to our customers December 2018 through Q2 2019.

### Pricing\*:

The actual fee your members pay is \$0.029 per transaction plus interchange.

The PMAA negotiated a \$0.029 transaction fee that is offered to petroleum association members. As more locations are added to the program, the transaction fee goes down.

PMAA also negotiated the additional fees Worldpay can charge state association members. Contractually, Worldpay cannot raise fees or add any additional fees during the term of the PMAA agreement.
